

3 Cylinder Designs (10 points per)

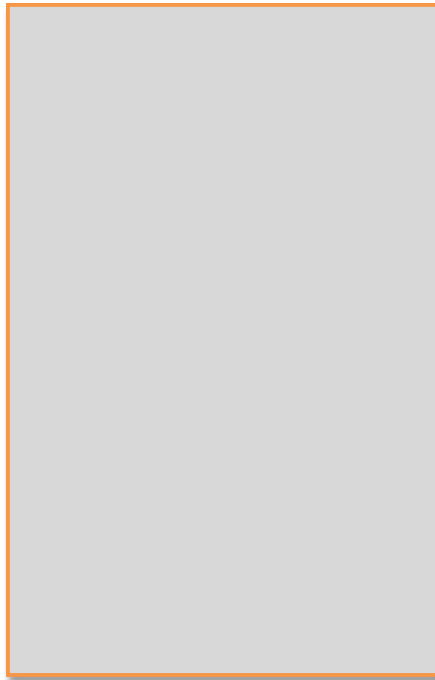

For this assignment, you are going to create 3 cylinders. **They must be 5 inches tall and 3 inches wide.** You may use the **slab method OR wheel thrown and trim them.** Each cylinder will require a different type of surface decoration. In the boxes below, circle which decorating techniques you will use for the first two and sketch out. The bottom one, you will revisit after it is fired to experiment with masking on bisque ware.

Cylinder 1: Texture

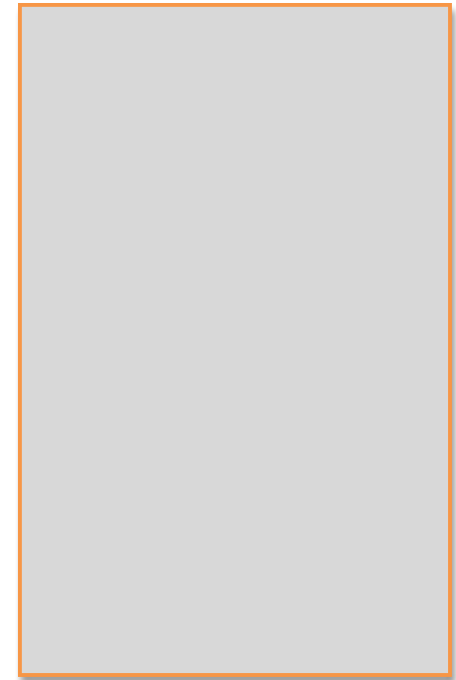

- Impression: Stamps Objects
- Loop Tool Decoration

Cylinder 2: Slip Decoration

- Sgraffito Painted
- Slip Masking Slip Trailing

Cylinder 3: Bisque Ware Masking

- Wax on bisque
- Wax on 1st glaze
- Stickers/tape masking on Bisque
